WESTOWN STUD HOYS WORKING HUNTER OF THE YEAR

This competition is for Working Hunters, any weight, mares, geldings or stallion (competing stallions must have a red, white and blue ribbon displayed in their tail) four years old or over, exceeding 148cm, to be ridden. Any horse which has qualified as a Grade A Show Jumper or Advanced Event Horse as at 1st January in the current year is not eligible to compete in Working Hunter classes. All Riders, Owners and Producers must be Members of the British Show Horse Association. Horses must be registered with the British Show Horse Association. Fences will not exceed 1.14m (3ft 9ins) in height, there should be a minimum of 8 fences and a maximum of 12 fences. The course must contain a combination and should contain a water tray. This class will be judged in two parts. Part One (Jumping) will be judged first, without a jump-off. All clear rounds and any other horses the judges may require will go forward to the next part. A rider can ride up to two horses in the jumping phase but then must select only one horse to take forward into the ride and conformation section if so required (no change of rider is allowed). This class will be run in accordance with the general rules as set out in the Horse of the Year Show rulebook, a copy of which can be downloaded from www.hoys.co.uk. This is a Horse of the Year Show Qualifier, all data given upon entry of this class is provided to Grandstand Media Limited and stored on the Grandstand Entries System. For full policy details please visit www.grandstandentries.com.

Marks must be awarded in the following way:

PHASE I

(60 MARKS) - A: JUMPING POINTS 40 MARKS; B: STYLE WHILE JUMPING 20 MARKS

PHASE II

(40 MARKS) - C: CONFORMATION 20 MARKS; D: RIDE 20 MARKS

In the event of equality the CONFORMATION MARK from Phase II will take precedence, followed by the RIDE MARK, and then the STYLE MARK.

If there are two Working Hunter Classes then the classes must be split as follows and then there must be a Championship to determine which one horse qualifies. Section A Lightweight Working Hunter – Mare, gelding or stallion, 4 years old and over, capable of carrying 12 stone 7lbs and under. Small Hunters to be included in this category. Section B Heavyweight Working Hunter – Mare, gelding or stallion, 4 years old and over, capable of carrying over 12 stone 7lbs. Middleweight Hunters to be included in this category. Failure to jump in the correct section will result in elimination. Both classes will be jumped over the same course and height. When judging the Championship, judges will use the marks they have already allocated as a guide. The highest placed unqualified horse within each of the classes 17 & 18, will qualify for Horse of the Year Show. The Championship is only open to the first and second prize winners in the Lightweight and Heavyweight Working Hunter classes respectively.

Ticket will be handed down to the highest placed unqualified horse
