## Ride Only Judges' Pathway

Following the conclusion of the Judges' Review in 2011, the BSHA Board have put in place new guidelines for the Ride Only Judges with the aim of providing support and education and create a structured pathway for progression.

The new boundaries for the pathway are as follows:

- a) Applicants must be over 23 years of age.
- b) Time limit for being on the Ride Only Panel to be 3 years.
- c) In the 3 year period, all Ride Only Judges must attend an Annual Conformation Training Workshop.
- d) At the end of the 3 year period the Ride Only Judges must attend the full Assessment Day and pass the entire process, including the Ride Section. All failures will have to stand down from the Ride Only Panel and not be able to re-apply for 2 years. Anyone that fails to complete the full Assessment (including the Ride Section) after 3 years will also come off the Ride Only Panel and not be able to re-apply for 2 years.
- e) All Ride Only Judges must spend a minimum of 2 years on the Ride Only Panel before they can apply for the Full Panel.
- f) A full Fee will be levied on the Ride Only Judges that attend an Assessment Day for reassessment.
- g) If successful at an Assessment Day a Ride Only Judge can only progress to being a Probationer and must take the full 2 year Probationary period.
- h) At the discretion of the Assessment Panel, a Ride Only Judge progressing to Probation might be asked to do Ride, Conformation or both in their Probationary period.
- i) If progressing to the Probationary Panel, a former Ride Only Judge will come off the Ride Only Panel.
- j) Ride Only Judges will have a Report Form that will need to be completed by the Full Panel Judge when they are together.
- k) The Ride Only Panel Judge will complete a Report Form on their day with their Conformation Judge.
- l) Ride Only Judges will be actively promoted through the office and used at BSHA Shows, wherever possible.
