2. HACK, COB, MAXI COB AND RIDING HORSE REGISTERS

(A) Registers

(i) Hacks

The ideal Show Hack is of Thoroughbred type and should be capable of carrying an average adult. The Hack must be a pleasure to ride and have excellent manners. The Hack should be in self-carriage and be light and soft to ride, it should also have correct conformation with the emphasis on quality and elegance. The latter stems from a well set on head and neck combined with a good length of shoulder. The movement should be smooth and graceful with a true pointing of the toe. To achieve these qualities the Hack must be extremely well schooled.

Hacks can be:

Small Hack: mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 154cms.

Large Hack: mare or gelding, 4 years old and over, exceeding 154cms, but not exceeding 160cms.

The Association recommends that Shows should provide two classes for Hacks, but if it is only possible to hold one class the full range of height should be covered and the wording should be as follows:

Open Hack: mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 160cms.

For Novice, Ladies Side Saddle, Young Rider, Restricted, Amateur and Amateur Owner Rider classes see Rule 7 (Definitions and Classifications).

Hack Judging: to be judged on type, ride, manners and conformation. It is recommended that Judges use the following percentages when judging Hacks: Ride 40%, Conformation 40%, Individual Show 20%.

The compulsory individual show should not exceed 1½ minutes and should include walk, trot, canter, rein-back, stand still and obedience to the leg. **Judges should penalise lack of manners.**

(ii) Cobs

The Cob is a type rather than a breed. A short-legged animal, with bone, substance and quality, capable of carrying a substantial weight. The Cob should be well mannered and ideal for nervous or elderly riders. Cobs should have sensible heads, (sometimes roman nosed), a full generous eye, shapely neck, **well muscled**, with a hogged mane and well defined wither. The Cob should also have clean, strong hocks and all the attributes of a good hunter; low movement and a comfortable ride.

Cobs must be registered as lightweight (minimum of 8½" bone), heavyweight (minimum of 9" bone) or Maxi Cob exceeding 155cms and are defined as follows:

Lightweight Cob: mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 155cms, capable of carrying up to 14 stone.

Heavyweight Cob: mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 155cms, capable of carrying more than 14 stone.

Maxi Cob: mare or gelding, 4 years old and over, exceeding 155cms - to be judged as Cobs. Judges must pay particular attention to type (i.e. short legged animals of COB type). To be shown hogged.

First and Second prize winners of Maxi Cob classes are NOT eligible for Open Cob Championships at shows ONLY holding Open Cob and Maxi Cob classes.

For Novice, Ladies Side Saddle, Young Rider, Restricted, Amateur and Amateur Owner Rider classes see Rule 7 (Definitions and Classifications).

Affiliated Shows are recommended, where possible, to hold three classes, either Novice, Open and Maxi Cobs or Lightweight and Heavyweight and Maxi Cobs. When shows are only able to hold one class the wording should be as follows:

Open Cob – mare or gelding, 4 years old and over, exceeding 148cms, but not exceeding 155cms. To be ridden.

Shows holding Novice, Amateur and Open Maxi Cob Classes, in addition to Weight Classes, may include the First and Second prize winners of these classes in their Overall Cob Championship.

Novice Cob/Maxi Cob: mare or gelding, four years old and over exceeding 148cms.

Where Shows hold a combined Novice Cob class, Novice Maxi Cobs will be eligible to enter. If Shows hold separate Novice Cob classes, i.e. Lightweight & Heavyweight, Novice Maxi Cobs will not be eligible to enter.

Amateur Cob/Maxi Cob: mare or gelding, four years old and over exceeding 148cms.

Where Shows hold a combined Amateur Cob class, Amateur Maxi Cobs will be eligible to enter. If Shows hold separate Amateur Cob classes, i.e. Lightweight & Heavyweight, Amateur Maxi Cobs will not be eligible to enter.

Owners of Cobs must take particular care that they are registered in the correct weight category. **Queries regarding classification should be addressed to the Secretary.**

Judges may not change a Cob's weight category at a show, but will be expected to notify the Association if they consider a particular Cob to be in the wrong weight and pay particular attention to type and weight carrying ability when judging the respective classes. No Cob may change weight during the season if it has qualified for the Royal International or Horse of the Year Show during the current season. Only when the Cob has been re-classified may it be shown in the other class. If already entered for a show and subsequently re-classified, the Exhibitor must inform the show concerned who will transfer entry to the correct class.

Weight Cobs, aged 4, 5 or 6 years old, whether Light or Heavy, that hold a current and valid JMB Height Certificate, cannot compete in Maxi Cob classes. They may only move to the Maxi Cob category if re-measured greater than 155cms in the current year or, are registered as a Maxi Cob at the start of the following year.

Weight Cobs, aged 7 years old or over, whether Light or Heavy, that hold a current and valid JMB Height Certificate issued after the 1st January 2011 cannot compete in Maxi Cob classes. They may only change category to Maxi Cob if re-called for measurement and upon re-measurement, exceed 155cms.

Cob Judging – to be judged on type, ride, manners and conformation. Judges should ask the class to gallop (conditions permitting). Cobs should be judged in the same procedure as Hunters, but they should be well schooled **and particular attention should be paid to manners.**

(iii) **Riding Horses**

A Riding Horse is between a Hack and a Hunter. It should have quality, substance, good bone, correct conformation, presence and true action. Horses may not be registered as Riding Horses if they have been placed 1st, 2nd or 3rd in any ridden Hunter class at the Royal International Horse Show or the Horse of the Year Show in the current or previous year.

Riding Horses can be:

Small Riding Horse: mare or gelding, 4 years old and over, exceeding 148cms and not exceeding 158cms.

Large Riding Horse: mare or gelding, 4 years old and over, exceeding 158cms

The Association recommends that shows, if possible, should hold classes for both height categories. If there is only one class held it must cover the full range of heights and the wording should be as follows:

Open Riding Horse: mare or gelding, 4 years old and over, exceeding 148cms.

For Novice, Ladies Side Saddle, Young Rider, Restricted, Amateur and Amateur Owner Rider classes see Rule 7 (Definitions and Classifications).

Riding Horse Judging: to be judged on type, ride, manners and conformation; Judges should ask the class to gallop (conditions permitting). Judges must ride the Exhibits first and then may require individual shows from as many as time allows. The individual show should not exceed 1½ minutes and should include walk, trot, canter, gallop, rein back (optional), stand still and obedience to the leg.

- (iv) **Working Show Horse:** Open to Hacks, Cobs, Maxi Cobs and Riding Horses, mare or gelding four years old and over, exceeding 148cms.

All affiliated Open Working Show Horse classes are qualifiers for the **SEIB Working Show Horse of the Year Championship**, to be held at the BSHA National Championship Show. The two highest placed horses, in the top five, not already qualified in each Open Working Show Horse class, will qualify for the Championships; no Horse placed lower than fifth will qualify. Those Shows held after the 2017 National Championship Show will carry the qualification(s) forward to 2018; see Rule 9 for further information.

Any Horse which is a Grade B Showjumper, Intermediate Eventer, or above, as at the 1st January of the current year, is not eligible to compete in any Working Show Horse class.

A Rider may ride up to two Horses in the jumping phase but must then select one Horse to take through to the Ride and Conformation phases (if required). No change of Rider is allowed.

When jumping in the Ring, the practice or collecting area, all Riders must wear protective headgear, according to the current standards as listed below:

All PAS 015; VG1; ASTM F1163 04a onwards; SNELL E2001; AS/NZS 3838 2003 onwards

Please note that from 1st January 2017 the list no longer includes BS/EN1384: 2012 (or prior year suffix).

Skullcaps must be worn with a dark coloured plain peaked cover. See Rule 3.(C) for further clarification.

Horses may wear protective boots, of a plain colour, for the jumping phase only; no weighted boots are permitted; no change of tack is permitted between jumping and flat phases.

- (a) **Height of Fences**

If a horse jumps the incorrect fence out of a pen or lane it will be eliminated. Horses displaying continued disobedience, or horses leaving the ring whether mounted or dismounted will be eliminated.

Horses must not be ridden by the Judge in the same ring and at the same time as other horses are jumping. Suitable fences of natural appearance must be available. Judges will not jump horses in Working Hunter Classes.

40 points are awarded for the Ride and Conformation. If there are two judges, Judge A awards up to a maximum score of 20 for Ride and Judge B awards up to a maximum score of 20 for conformation.

In the event of a tie in marks, the conformation mark will take precedence, followed by the ride mark, followed by the style mark. Judges should satisfy themselves that the course and fences are in keeping with the Society's recommendations, and Shows should allow time for this. Working Hunter courses are not to be walked by competitors until the Judge has given permission. There must be a change of course between Novice, Restricted Open and Open Working Hunter classes.

(B) Conditions of Registration

Horses must be registered annually. Only registered Horses, **including Novices**, may be entered in Affiliated classes. Non-Members may purchase up to a maximum of two 'Day Tickets' per Exhibitor, per Rider, per Horse, per season. A Day Ticket will allow entry into Amateur, Home Produced, In-Hand, Novice, Working, Young Rider and Open Affiliated classes only, **but not RIHS or HOYS qualifying classes**. Horses registered using the 'Day Ticket' DO NOT require a JMB Height Certificate until full registration, see Rule 3(A).

(i) Age

Ridden Horses must be 4 years old and over. Age is calculated from the 1st January each year, (e.g. a foal becomes a yearling on the first day of January following the year of foaling).

(ii) Mares with foals

Mares with a living foal born during the current year may not be shown in ridden classes.

(iii) Measurement

Horses must have a current valid Height Certificate issued by the Joint Measurement Board (JMB). Maxi Cobs, Large Riding Horses, Hunters (with the exception of Small Hunters) and **Day Ticket competitors are exempt**.

The Association supports and is represented on the JMB together with the British Horse Society, British Show Jumping Association, National Pony Society, British Show Pony Society, Hackney Horse Society, Sport Horse Breeding of Great Britain and the Welsh Pony and Cob Society. Members of the Association are therefore subject to the rules of the JMB, which can be obtained from the Secretary of the Joint Measurement Board Ltd, PO Box 322, Horley, Surrey, RH6 OWS, www.thejmbonline.co.uk (Tel: 01293 862101). The JMB Rules include a list of official measurers and the fees required. Measurements can be made throughout the year; all Annual Height certificates expire on the 31st December.

The Association reserves the right to recall any animal from any section for re-measurement at any time, at their discretion.

The Association may recall for re-measurement any animal from any section that measures smaller/larger than previously registered and moves into a smaller/larger category i.e. Maxi Cob to Weight Cob; Small Riding Horse to Large Riding Horse.

Any animal that is re-called for re-measurement by the JMB and does not attend the re-measurement as requested shall have, at the discretion of the Board, its registration suspended.

(iv) **Registration**

Registration Forms will be available to Members wishing to register their animals. Forms must be completed and returned to the Secretary together with the Registration Fee. On the receipt of all documents, including a current JMB height certificate (where applicable) and a fully legible copy of the animal's passport, a Registration Certificate will be issued, signed by the relevant Officer. Animals may compete when the Registration Fees have been paid and the animal has been officially measured into the appropriate height section. Novice animals must be Registered to compete in Affiliated competitions or purchase a Day Ticket prior to competing.

(C) Change of Ownership

This must be notified to the Secretary within two weeks by the vendor, giving name and address of the new Owner, enclosing the appropriate section of the old Registration Certificate. The new Owner must also make notification of purchase to the Secretary and pay the required fee.

(D) Naming

(i) **Not Previously Registered Animals**

All Horses registering with the Association must use the "Name" that is already on the current passport of that animal; there shall be no change of "Name" permitted. Members are reminded that should an animal require a JMB height certificate, in order to Register with the Association, the "Name" on this certificate must correspond with that on the passport. The Association will not be responsible for any costs that might be incurred due to failure to comply with this Rule.

(ii) **Previously Registered Animals**

All Horses re-registering with the Association must use the "Name" that it has been, or is currently Registered with the Association; there shall be no change of "Name" permitted. Members are reminded that should an animal require a JMB height certificate, in order to re-register with the Association, the "Name" on this certificate must correspond with that previously Registered for this animal. The Association will not be responsible for any costs that might be incurred due to failure to comply with this Rule.

(iii) The Association reserves the right to veto all "Names" prior to Registration and could refuse to allow the use of a "Name" should it be deemed by the Board to be offensive, inappropriate, plagiarised, duplicated or subject to any copyright or trademark; this list is not exhaustive. Should the Board deem it necessary, it will request written authority of acceptance of use of "Names" that are deemed to be protected and from whom the Board deem it may be required. The BSHA might also instruct a microchip reading. Where there is an original "Name" on a passport, the original will remain on the Passport and the new "Name" will be added.

(iv) Under the Horse Passport Regulation (England) 2009, a Horse is only allowed to have one passport. If a Horse has more than one, it is recommended that the first issued and higher integrity passport (with the most complete pedigree for example) be retained and used. Any other passports should be returned to their relevant Passport Issuing Organisation for rescinding in favour of the chosen passport. Any vaccination records/declaration pages should be returned from the rescinding PIO for inclusion in the chosen passport. The name on the chosen passport would not be subject to change.

Should there be any confusion with the Ruling, please contact the office for advice prior to obtaining any JMB height certificate or Registration. The BSHA also reserve the right to sanction a change of Name in exceptional circumstances. Should this occur, a charge of £300.00 will be levied.

(E) Identification of Horses

The identification of Hacks, Cobs, Maxi Cobs, Riding Horses and Hunters must be in accordance with their National Passport or JMB Height Certificate at all times; markings must not be hidden, altered or covered with make-up. The BSHA will authorise spot checks at certain Shows and Exhibitors breaking this Rule will not be allowed to compete.

NB. Exhibitors are required by DEFRA to carry with them, Passports for all animals when competing or travelling.

(F) Change of Type/Category

A Horse may not be registered in more than one Type at the same time (e.g. as both a Hack and a Riding Horse). On payment of a further fee the Registration may be changed once in a season if the Horse has not been placed first, second or third in a class which qualifies for either the Royal International Horse Show or the Horse of the Year Show, in the current season. A Horse may not revert to a Novice in the new section, if it has won a first prize of £35.00 or more, or a total of £250 (including Championship Prize Money) or more in any showing classes that were Affiliated to the Association, at home or abroad, prior to 1st January 2017. Winnings gained as a four year old are exempt, unless that 4 year old has won an Open class of £35.00 or more.

(G) Shoeing

All Horses, **if shod**, must be shod in shoes that do not cover the frog; normal shaped open heeled plastic stick-on shoes are permissible. No pads or surgical shoes are allowed; i.e. Bar shoes.

(H) Tack

Bitless bridles and Running Gags are not permitted in any classes.
The use of Swale bits is discouraged in all classes.

Failure to observe any of the Rules may result in disqualification of the animal concerned and disciplinary proceedings by the BSHA against the person breaking the Rules in accordance with the BSHA Disciplinary Procedure, may be implemented (See Rule 11). In the event of disqualification of an animal after a cup, rosette or prize money has been awarded, such cup, rosette or prize money must be returned forthwith to the Show or the BSHA as appropriate.

3. EXHIBITORS

(A) Requirement of Membership

In classes Affiliated to the Association the Owners, Exhibitors, Trainers, Producers and Riders must be Members of the Association, with the exception of Day Ticket holders.

Non-Members may purchase up to a maximum of two 'Day Tickets' per Rider, per Horse, per season. A Day Ticket will allow entry into Amateur, Home Produced, In-Hand, Novice, Working, Young Rider and Open Affiliated classes only, but not RIHS or HOYS qualifying classes. Horses registered using the 'Day Ticket' DO NOT require a JMB Height Certificate until Full Registration.

Warning to Members, Owners and Producers of Horses Competing under the Association's Regulations

In common with other similar bodies, the BSHA takes a very serious view of doping, whether intentional or unintentional, having particular regard to the safety of children a vulnerable adults. Members should be aware that many proprietary feeds and preparations contain Prohibited Substances (as defined below) as do many foods such as chocolate. Prohibited Substances can be absorbed through the skin and they are also contained in some homeopathic and herbal remedies including calmers. **It is the responsibility of the Member having custody of a horse, particularly in the twenty four hours before a Show, to ensure that nothing is fed, administered or applied to a horse that contains a Prohibited Substance. Ignorance is not an adequate defence.** The BSHA Office is not authorised to give guidance but the BSHA follows the Equine Prohibited Substances List ("EPSL") as published from time to time by the Federation Equestre Internationale ("FEI"). Where appropriate, the BSHA will adopt threshold levels published in the EPSL. Please note that the EPSL includes any other substance with a similar chemical structure or similar biological effect(s) as substances specifically mentioned on the list. All substances on the list, whether indicated as "Banned" or "Controlled", are prohibited substances under BSHA Rules. Also prohibited are "metabolites" of the substances and "markers", both terms being defined below; save and except that Altronogest/synthetic progesterone is NOT a prohibited substance (e.g.Regumate) so long as it is not in Stallions or Geldings and that FEI Rules are adhered to:

(A) Doping

The terms metabolite and marker shall have the same meaning as in the FEI Anti-Doping and Controlled Medication Regulations as published by the FEI from time to time.

RECOMMENDATIONS and RULES for Particular Note

It is recommended that the use of oils and make-up on Horses, exhibiting in the show ring, is kept to a minimum. A Judge may disqualify a Horse which, in their opinion, is wearing excessive make-up and/or oils.

It is a Rule of the Association and also courteous, that all Exhibitors seek permission from the Judge before leaving the Ring. See Rule 4, E (viii)

It is a Rule of the Association that all prize-winners eligible must come forward for Championship judging, unless permission has been granted by the Judge not to compete; see Rule 3 (G)(H).

The Association discourages the showing of over fat horses and Judges will take this into consideration when making their awards.
